### Find and Homeward Trust kick off annual Donation Drive

Find and Homeward Trust Edmonton will host their annual Donation Drive & Community BBQ, Saturday, August 27. Media are invited to attend.

Find is a social enterprise with two goals: supplying low-cost, quality furniture for sale to the public and providing essential furnishings free of charge to individuals and families who are transitioning out of homelessness. Find is managed by Homeward Trust Edmonton, a not for profit organization that uses a community-based approach toward the goal of ending homelessness in Edmonton.

Find has furnished more than 5,000 homes since 2009. Most of the furnishings are donated by community members, and all proceeds stay in Edmonton. All donations are welcome for this event.
